RULES AND REGULATIONS

The Kornati Sail is subject to the race rules and regulations of World Sailing and the rules of the ORC (latest issue). Concerning safety, Croatian regulations apply.

The notation [DP] within a rule of the open call or within the sailing instructions means, that the penalty for breaching this rule given by the protest committee can be lesser than disqualification.

The notation [NP] within a rule of the open call or within the sailing instructions means, that a participant can not protest for breaching this rule.

Anti doping regulations of the World Sailing and Austrian Anti doping national act 2007 apply. Persons suspended or barred due to doping will not be permitted to participate.

The two-turn penalty according to WRS 44.1 and 44.2 will be applicable. For catamarans regulation WRS 44.1 is amended, so as only to have to do one penalty turn.

For the one design classes the regulations of the OeSV apply.

ADMISSION

Open for all slup rigged monohulls from 30 feet and catamarans. Yachts under 30 feet are just permitted, if they have a GPH smaller than 670 (without Spi smaller than 720).

All Yachts must have a valid HJS vignette for 2020 and must disclose the number by the 24.09.2020 at Pitter Yachtcharter.

All monohulls must have a valid ORC- certificate for 2020 and must have handed this over to Pitter Yachtcharter by the 24.09.2020. Exempt are the one-design classes. For possible costs for amendments in the ORC measuring certificate, participants must compensate (as per current price list OeSV/HJS). [NP]

All multihulls must have a valid MOCRA rating for 2020 and must have handed this over to Pitter Yachtcharter by the 24.09.2020. [NP]

The maximum weigh for MOCRA-Rating will be calculated as follows:

Empty weight from the user manual +

50%of the permitted load according to user manual +

generator, heating, air conditioning, solar system (weight according to description, brochure, internet,...)

Protest against a MOCRA-certificate because of weight inquiries are permitted only in case the certificate weight is higher than this calculated weight.

All boats of the class without spinnaker may use during the entire race only a storm jib and a headsail (Genoa). The booming out of the Genoa with the spinnaker boom included in the ORC certificate is permitted. Catamarans are to be sailed with spinnaker or gennaker.

The removal of furnishings, doors and equipment is prohibited. Yachts that use trapezes or outriggers, to shift the weight of sailors, are not permitted.

All skippers must comply with the lawful regulations for skippering yachts in Croatia. Skippers and co skippers must be registered members for the year 2020, within a national union or a national association. The member numbers must be registered within the race registration system by the 17.10.2020. All yachts must be fully insured. [NP]
