Provisioning service **with JAM Yacht Supply**

Convenient and easy provision order for your Charter trip via the JAM online shop. The delivery of the groceries takes place regarding your wishes, so that your provisions are already on the yacht at check-in: [JAM provision order](#)

What to do in case of damage?

- ▣ Please contact the base immediately!
- ▣ Exchange insurance policy data (for liability damage)
- ▣ Take pictures of the damage
- ▣ Create a sketch with description of how the accident happened and let it sign from all involved persons
- ▣ Create a record with the port captain
- ▣ Create an entry in the log book

! Damages can happen even to very experienced skippers. Please let us know straight away when damage occurs, so we can organise everything and so you don't lose valuable holiday time.

Radio

Marina is available via channel 17. Port authorities are available via channel 10. In case of distress use channel 16!

Maritime distress

Errors and mistakes reserved.

TIPS

*for a safe
sailing holiday*

To avoid problems, please do the check-in precise and write down every deficiency at the check form.

1

The port manuals for the Mediterranean on board may be used for navigation only. Any use of other documents than those specified, results in the liability of the skipper in the case of damage.

2

The electronic map is a navigation AID and was developed to simplify the use of official maps. It is no replacement for official sea maps and only the official sea maps and messages contain the necessary information for safe navigation. The captain is responsible for correct use.

3

The passing through the "Zdrelac bridge" between Ugljan and Pasman is not permitted as a rule.

4

We advise our customers to fill up the yacht already on the day before last and to also fill up the space can with diesel. Before the yacht is handed over, the tank is filled with the reserve can. This saves the customer a long wait at the petrol stations and allows a smooth and timely check-out.

5

The water tanks and the reserve can of the outboard motor are not filled.

6

Give stowaways (rats) no chance! Please put rests of meal and the gangway away.

7

Think of the next person! Regrettably it happens that yachts are left in very dirty and disorderly condition. This means that the final cleaning takes longer as it should. This delays the check-in of the next crew considerably. We therefore ask you kindly to ensure the boats are clean and tidy at hand over. Please dispose of your rubbish in the designated containers in the marina. These measures will facilitate a swift and punctual check in for the following crew. Thank you for your cooperation.

8

Yours Klaus Pitter
