Location descriptions

Zadar

Zadar in the heart of Dalmatia is one of the most popular Croatian holiday destinations and one of the most beautiful port cities in Croatia. With its historic flair the 3000-year-old city combines modernity and history perfectly. Remnants of antiquity, historic villas and churches, attractive squares with restaurants, cafes and lively bars with nightlife make Zadar a vibrant city.

Sukosan

About 9 km southeast of Zadar lies the Marina Sukosan, with 1 400 berths one of the largest marinas on the Adriatic. The picturesque little town is very popular because of its proximity to Zadar and its beautiful pebble beaches.

UGLIJAN *Sutomiscica, Kukljica*

Ugljan is also called the green island. Slightly hilly, it stretches two nautical miles west of Zadar. With its many bays and the small Marina Kukljica Ugljan is a good stopover on every trip.

MOLAT

On the island of Molat there are three small towns: Molat, Brgulje and Zapuntel. A nice place for over night for sailors is the buoys field in front of the village of Brgulje. Molat is a rocky patch for peace seekers

DUGI OTOK Veli Rat, Pantera

From far away you can see the oldest lighthouse of Croatia at the northern tip of Dugi Otok. The mast of a sunken Italian freighter raises out of the water. In calm seas, you can anchor and go snorkelling at the shipwreck. The bay Pantera lies on the inside on the way to the Marina Veli Rat and has buoys. From there, a 10 minute walk will take you to the lighthouse and the bay in front of it. The bay at the lighthouse is very beautiful with gorgeous big white stones and great waves for bodyboard surfing.

IST

The small village on the island of the same name impresses with its cozy restaurants on the harbor promenade. On the many walking paths that run through the island, after a lazy day at the water you can stretch your legs. A little more strenuous, but rewarded with a magnificent view is the steep path to the chapel on the mountain.

SILBA

On the small island of Silba there are some bays with sandy soil in the water. The island town of Silba itself is particularly well-known for the hexagonal „love tower“, which was built in the 17th century by a captain for his sweetheart.

Olib

There is only one place on the island, which also bears the name Olib. The place is located on the western side of the island overlooking the island of Silba. On the western side of the island is the largest bay called Olib. The bay Slatinica, with the most beautiful sandy beach of the island, lies on the eastern side. The bay of Sv. Nikola with the church of the same name is well protected from Bora and is therefore suitable for sailors and boaters.
