Location descriptions

Zadar

Zadar in the heart of Dalmatia is one of the most popular Croatian holiday destinations and one of the most beautiful port cities in Croatia. With its historic flair the 3000-year-old city combines modernity and history perfectly. Remnants of antiquity, historic villas and churches, attractive squares with restaurants, cafes and lively bars with nightlife make Zadar a vibrant city.

Sukosan

About 9 km southeast of Zadar lies the Marina Sukosan, with 1400 berths one of the largest marinas on the Adriatic. The picturesque little town is very popular because of its proximity to Zadar and its beautiful pebble beaches.

UGLJAN Sutomiscica, Kukljica

Ugljan is also called the green island. Slightly hilly, it stretches two nautical miles west of Zadar. With its many bays and the small Marina Kukljica Ugljan is a good stopover on every trip.

DUGI OTOK Bozova

Bozova is a nice little place in a sheltered harbor bay. From the large hotel there you have a magnificent view of the bay.

Premuda

ILOVIK

Ilovik is a small, very quiet island south of Losinj, where the chirping of the cicadas and the seagulls make the music. The narrow channel between Ilovik and the cemetery island SV.PETAR is very popular with sailors. The small town around the harbor and the canal with its simple church is full of flowers all the year. Ilovik therefore also has the nickname Flower Island.

LOSINJ Mali Losinj, Veli Losinj

The island of Losinj belongs, as Cres, to Kvarner Bay. More than 300 sunny days per year have created not only a subtropical paradise with palm trees, oleander and flowering gardens, but also a holiday paradise for sailors and motorboat riders.

Mali Losinj, today the largest city and capital of the island, is located in a deep bay. The area surrounding the village is characterized by extensive pine forests that reach to the beaches and coves of crystal clear waters.

SILBA

On the small island of Silba there are some bays with sandy soil in the water. The island town of Silba itself is particularly well-known for the hexagonal „love tower“, which was built in the 17th century by a captain for his sweetheart.

Please note that this is just a possible trip suggestion. The Croatian coast, with its countless small islands and bays, offers a lot of bathing stops and sailing opportunities. Please adapt your individual route to the given wind and weather conditions.
