Information

The Offshore Racing Club Austria has set itself the goal of facilitating uncomplicated and inexpensive membership in the Austrian Sailing Association and thus in the International Federation for all offshore sailors.

This membership of the ORCA with the OeSV has the following advantages for you:

- ✓ You sail under the ORCA flag as well as under the OeSV flag and thus show patriotism.
- ✓ You receive the monthly YachtRevue.
- ✓ You can make use of the OeSV helplines in Croatia and Turkey.
- ✓ Reduced fees for the acquisition of licences.
- ✓ Competent insurance partners with discounts upon membership.
- ✓ Participation permission at regattas (only members are allowed to race)
- ✓ Participation permission in OeSV training and further trainings.

Membership of the Offshore Racing Club Austria is very reasonably priced at € 50,00 per year. We do not have a complicated admission procedure via general meetings or ballot lists and no admission fees. By filling out the application form (and paying the membership fee) you are already a member and can enjoy all the benefits immediately.

If you wish to resign, simply send an informal letter, email or fax by the end of November. You will be released from all fees for the coming year, but you will no longer be able to take advantage of any benefits or participate in any regattas that require membership (which, according to ISAF, must be the case for all regattas).

10 strong reasons for becoming a member

- ✓ **Well represented:** The association represents the interests of its members in dealings with international organisations.
- ✓ **Forever in the picture:** Subscription to the monthly magazine "YachtRevue" as print and online version
- ✓ **Certified:** Entry in the yacht register plus issuing of a yacht certificate = proof of ownership and entitlement to participate in regattas
- ✓ **Well protected:** Discounts on special insurance policies for boat owners, windsurfers and kite surfers
- ✓ **Perfectly equipped:** Ongoing promotions for the purchase of high-quality sailing clothing
- ✓ **Always welcome:** Discounts with various charter companies and marinas
- ✓ **Help on the high seas:** Free use of the SeaHelp hotline in Croatia and Turkey
- ✓ **Austrian Boat Show:** Discounted tickets for the Austrian Boat Show in Tulln
- ✓ **Always ahead:** reduced prices for trainings of the OeSV-Sailing Academy
- ✓ **Keeping your taxes under control:** exclusive initial consultation with the tax advisors or auditors of Audit Partner Austria
- ✓ **OeSV Service Office:** As a contact point for any questions and information
